

GRAMÁTICA BUEN VIAJE DIEZ

NOMBRE: _____

LA FECHA: _____

LOS OBJETOS INDIRECTOS

I. REPASO:

1. A direct object refers to _____ or _____ receives the action.

2. A direct object pronoun is used _____.

3. What are the four direct object pronouns in Spanish? What do they mean?

_____ = _____ _____ = _____

_____ = _____ _____ = _____

4. Where is a direct object pronoun placed in a sentence?

5. Rewrite the statement using a direct object pronoun and then translate into English:

Juan lanzó la pelota.: _____

II. LOS OBJETOS INDIRECTOS: Now, read the following sentences and translate:

1. Juan le lanzó la pelota a Carmen. _____

2. Marta le dió un regalo a Juan. _____

3. Marta les dió un regalo a sus amigos. _____

Underline the 2 new words. What are they? _____

4. What is an indirect object? It answers _____ or _____ whom something is done.

Here are the indirect object pronouns. You may already recognize some of them. Write what they mean in English.

ME= _____ NOS= _____

TE= _____

LE= _____ LES= _____

5. In order to know what "LE" and "LES" mean, you may need to clarify. To do this, place an " _____ " before the indirect object. Here are some examples.

Margarita le dió el examen. (Without clarifying it is uncertain what the "le" means).

Maragarita le dió el examen al muchacho. (We now know that "le" is refering to the boy, or "to him")

6. It is not always necessary to _____, but the _____
or _____ must always be included.

7. A few more examples...what do they mean?

*Ella le habló a la profesora. _____

*El doctor me dió un diagnosis. _____

*La profesora les leió apuntes a los alumnos. _____
